

## INCLEMENT WEATHER

Attention Parents,

The time has come - Inclement Weather: Just a few reminders regarding how to find updates regarding classes in the case of inclement weather. Please remember we DO NOT follow the local school closings. Our goal is to make the best decision with the information we have to ensure the safety of our members and staff.

All DAYTIME (9:15 thru 1:15 classes) will be decided by approximately 7:00 AM.

All EVENING (4:15-7:00 plus team practices) will be decided no earlier than 2:00PM.

Where to find UPDATES...

1. An email will be sent to all class rosters effected by the closure/delay
2. A notification will be sent through our **gym tiME App**. If you have not already done so, please download our app and leave the notifications **ON**, so you will get all updates. Please click on the link below to download our app. User name is your current email we have on file. If you do not know your password, please click "Reset password" and you will be emailed a new one. Please do not create a new account, as your information is already in our system from current (or prior) classes:

Please review our Inclement Weather Make – up Policy below.

- If classes are delayed and/or closed due to inclement weather, a make up will be assigned. This could be either a specific date/time OR during one of our designated make up nights (for the current session). Once determined, classes will be informed.

**CAUTION: The outside corridor floor gets slippery in spots during the rain/snow. Please be careful with not letting the children run on the floor and certain shoes tend to slip more; flip flops, slides, crocks, Uggs, ect. Unfortunately, this is not something gym tiME has control over, so we always like to give our members a heads up.**

Thanks,

Meghan
